Winter at Villa Roma: As you like it.

There's a crispness in the air now in our little corner of the Sullivan Catskills. The trees and the surrounding landscape anxiously await their annual blanket of white. All of us at Villa Roma anticipate your arrival to our winter wonderland where there's plenty of winter fun— inside and out. This is a perfect time of year to reflect, restore, unwind, and celebrate.

Last summer we introduced two new packages, designed to suit your traveling style and your budget. And they're a big hit! The **CHOOSE YOUR OWN FUN STAY PACKAGE** allows you to pick and choose the activities and meals that make the most sense for you and your family, while the **ALL-INCLUSIVE FUN STAY PACKAGE** gives you total access to on-site activities plus two meals a day. Villa Roma— as you like it! Simple and easy. For complete package details, see page 5.

While more and more Americans are fully vaccinated, we believe we can never be too careful. So, it is in the interest of safety for you, our staff, and our community that we remain as vigilant now as we did at the pandemic's beginning and adhere to screening, mask, and sanitation protocols. We encourage you to visit our website— VillaRoma.com and click the very top of the page to view **OUR PROMISE, OUR PLEDGE**.

Whenever you decide to visit us this winter season, one thing is for sure, we aim to please all of our guests— kids and parents, grandparents, aunts and uncles, couples and friends. You may have to bundle up, but opportunity to pull out your most colorful, warmest wardrobe. Winter is a glorious time to visit Villa Roma and take in the beauty of our Sullivan Catskills. Whether you choose to take advantage of our indoor fun, or head outside for some invigorating winter fun, we'll take care of your every need from sunrise to sunset.

Check out all the fun we've planned all winter long and plan your visit now. We can't wait to see you!

The Sullivan Catskills... So Unexpected!

For centuries people near and far have joined us in the Sullivan Catskills to escape, unwind, and recharge. This is the place where nature surprises and creativity amazes, and where unanticipated pleasures meet whimsical fun, and impulsive and unforeseen fun is always in the cards.

THE DOVE ART TRAIL

TEN MORE DOVES JUST JOINED THE TRAIL! This collection of 60 5'x7' tall doves perched throughout our towns, villages, and local businesses, pays homage to the 50th anniversary of the Woodstock Music and Art Fair held in our town of Bethel in 1969. Each Dove is hand-painted by a professional artist living in Sullivan County. This is a perfect winter activity!

ADVENTURE— INDOORS AND OUT

Take in an art gallery in Hurleyville, Narrowsburg or Livingston Manor. In Callicoon there's an indoor winter farmers' market. Or put on your warmest clothes, grab some tip ups, and go ice fishing on our lakes. Winter eagle watching is a thing to behold. Our rails to trails system and hiking trails will get your heart beating on snowshoes or cross-country skis. And New York State recently extended Trout fishing in our streams to year-round if you want to give it a try. Just know it's catch and release now through March 31. Try your hand at lady luck at Resorts World Catskills' table games and slot machines. At Kartrite Resort and Indoor Waterpark, it's always a balmy 84 degrees, and you can enjoy a day-pass there.

CATSKILL-ICIOUS

Our inventive chefs are always cooking up Catskill-icious good eats for hungry visitors. Many of them serve beverages from the makers of wine, beer, spirits, and ciders on our **GOOD TASTE BEVERAGE TRAIL**. Check out: Eminence Road Farm Winery, Bashakill Winery, Catskill Brewery, Callicoon Brewery, Dancing Cat Distillery, Do-Good Spirits, Upward Brewery, Catskill Provisions, Forthright Cyder & Mead, Seminary Hill, Russian Mule Brewing Company, Shrewd Fox Brewery, Stickett Inn Cider, Roscoe Beer Company, Rock Valley Spirits, Beer World, and Seminary Hill Orchard and Cidery right here in Callicoon.
