

GOOD TIMES

A man and a woman are shown in a close embrace, smiling warmly. The man, in the foreground, wears a teal knit beanie and a matching scarf. The woman, behind him, wears a white knit beanie with colorful speckles and a thick, multi-colored scarf. They are both wearing winter gloves. The background is a soft, out-of-focus snowy landscape.

Make time to Explore the Sullivan Catskills

For centuries people near and far have visited our the Sullivan Catskills to escape, unwind, and recharge. This is the place where nature surprises and creativity amazes, and where unanticipated pleasures meet whimsical fun, and impulsive and unforeseen fun is always in the cards.

THE DOVE ART TRAIL

TEN MORE DOVES ARE ON THE WAY! The current collection of 60 5'x7' tall doves perched throughout our towns, villages, and local businesses, pays homage to the 50th anniversary of the Woodstock Music and Art Fair held in our town of Bethel in 1969. Each Dove is hand-painted by a professional artist living in Sullivan County. This is a perfect winter activity! Watch for the new dove announcements: SullivanCatskills.com

CATSKILL-ICIOUS

Our inventive chefs are always cooking up something tasty and Catskill-icious. Many of them serve beverages from the makers of wine, beer, spirits, and ciders on our **GOOD TASTE BEVERAGE TRAIL**.

ADVENTURE— INDOORS AND OUT

Eagle watching in winter is a thing of beauty! Our rails-to-trails system and other hiking trails will get your heart beating whether you walk on snowshoes or cross-country skis. If you love to fish, New York State last year extended Trout fishing in our streams to year-round. It is however, catch and release only through March 31. In Callicoon there's an outdoor winter Farmers' Market— one of the most popular in the area all year long! Or put on your warmest clothes, grab some tip ups, and go ice fishing on our lakes. If you're not adventurous enough for the cold, visit one of our art galleries. Try your hand at lady luck at Resorts World Catskills' table games and slot machines. At Kartrite Resort and Indoor Waterpark, it's always a balmy 84 degrees, and you can enjoy a day-pass there.
