History of **THE VILLA ROMA**

Welcome to The Villa Roma Resort—462 acres of relaxation, entertainment, and family fun in the beautiful Catskills, where guests have been vacationing since 1944.

Founded by Ernesto and Hilda Vindigni as a quaint boarding house with 46 rooms, 10 cabins, a pool, and two bocce courts, Villa Roma grew steadily over the decades. In 1969, Martin Passante (“Marty”)—namesake of Marty’s Lounge—became the owner and helped shape the resort into what it is today, adding major expansions including the grand lobby, the Futura Wing, the Forum Nightclub, indoor pools and sports facilities, and more.

With the introduction of Timeshare, The Villa Roma began a new chapter of ownership vacationing—now spanning 24 Timeshare buildings alongside 139 hotel rooms. Today, guests enjoy a wide range of amenities, including an 18-hole PGA golf course, a Clubhouse, and a Chalet with downhill skiing.

In September 2024, The Villa Roma Resort entered its newest and most exhilarating chapter of new ownership, under Fay Hospitality Catskills LLC and Sandeep Wadhwa, as its president and owner.

Sandeep has over two decades of experience in the hospitality industry and is committed to preserving the rich tradition of hospitality and fun that has made The Villa Roma Resort a beloved vacation destination for generations.

He and his staff are looking forward with a focus on enhancing guest experiences, the hotel and Timeshare facilities, and developing The Villa Roma Resort into an entertainment and festival destination of music and art, as well as supporting and showcasing local talent, for the enjoyment of all vacation seekers, including Timeshare guests, Hotel guests, day trippers and the Callicoon and surrounding Communities.

Currently The Villa Roma Resort employs over 350 employees serving over 162,000 guests’ nights every year, and we look forward to continuing to build on these successes, and to welcome, serve and entertain our guests, including our loyal and valued Timeshare guests.

Thank you for choosing to vacation with us, we wish you a very enjoyable and unforgettable stay, and memories made to cherish a lifetime!

If my bill is all settled, do I still have to check out at the Timeshare office, or the Hotel front desk?

No. You may simply leave your keys in a conspicuous location in your room when you leave. However, if you wish to stop by either location to let us know how you enjoyed your stay with us, and your impression of our facilities, feedback is always encouraged and appreciated.

Are there laundry facilities located in the timeshare units?

Laundry rooms are in the timeshare building & shared, not in the units.

Where can I get some ice?

Ice machines are located in an alcove labeled "Vending and Ice," located on the first floor, near the gift shop.

Are we allowed to bring our pets with us during our stay at the Villa Roma Resort?

Only ADA service animals are welcome, within certain guidelines, and with certain fees and restrictions.

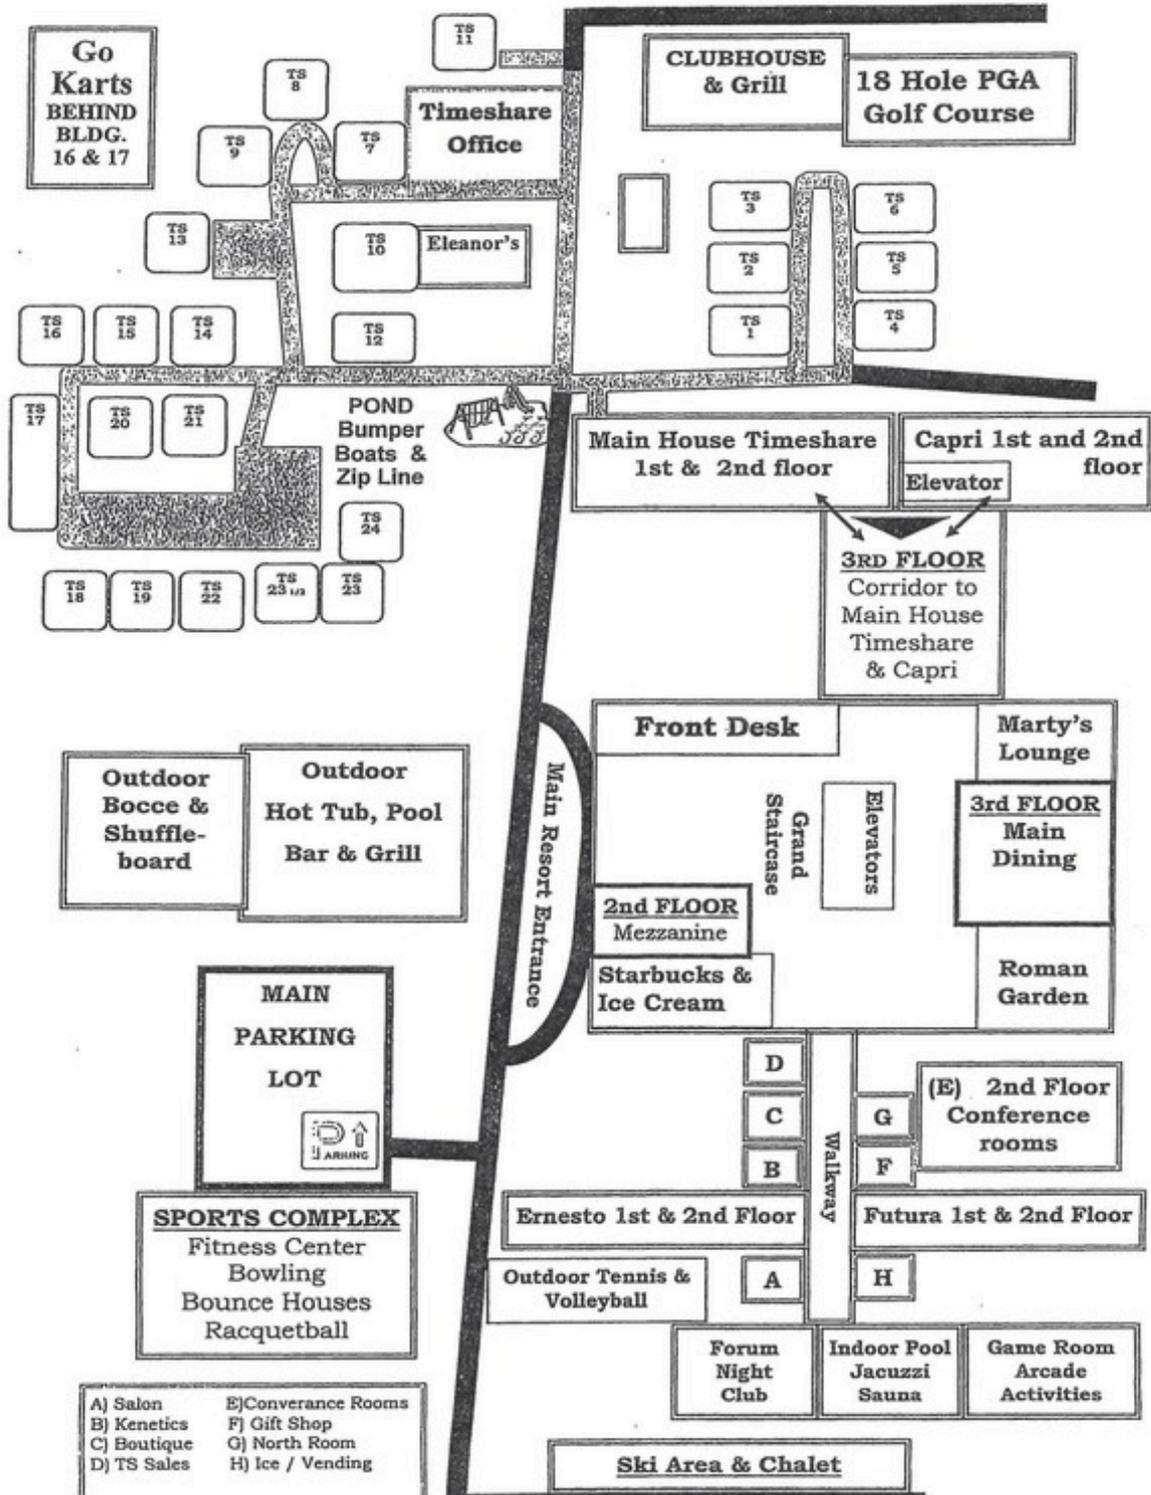

What time do we need to be out of our Timeshare unit on the final day of our stay at the resort?
